Recommendation letter for Mohammad Issa

Dear colleague -

I hope this finds you well.

I'm writing to you to **strongly endorse Mohammad Issa** for a technical role in your company.

We are a social venture that supports young aspiring talents from non-European countries in finding a challenging tech job in Europe or North America. We run a highly selective 4 week digital boot camp for full stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose talent, passion and work ethic significantly stand out from their peers.

Mohammad Issa is an outstanding Backend engineer who ranks in the top 10% of our peer group.

English communication	**Strong** – validated in multiple rounds of 1:1 interviews
Technical skills	**High & up to date** – on par with candidates in Germany
Unique qualities	**In my mind, his spike is he is experienced as backend developer**
EU 'Blue Card' eligibility	**Yes** - University/degree fully recognized - smooth visa process
Maturity	**Mid-Level** – 4 years of work experience

Please feel free to reach out to me personally at johann@joinimagine.org in case of any questions.

Warm regards & herzliche Grüße -

Dr. Johann Daniel Harnoss
Founder & CEO

We imagine a new world. A world where people freely unfold their talents. A world in which talented people from outside Europe move effortlessly towards opportunity. A world in which our firms tap into new sources of talent. A world in which Europe becomes a beacon of light and opportunity for young global talent.
